Memory Studies and the Politics of Memory - The University ... Although the category of memory does not often figure in the classic texts of postcolonial studies, concerns with the cultural and political legacies of the past in the present—the very terrain of memory studies—have been fundamental to postcolonial approaches. Conversely, memory studies has largely avoided the issues of colonialism and its legacies, both in its founding texts and many of its more recent assessments.

Remembering Back: Cultural Memory, Colonial Legacies, and ... This chapter investigates the persistence of racism in the production and maintenance of postcolonial cultural identity through an examination of the major critical frameworks that have informed the analysis, over the past several decades, of theorizing in postcolonial studies: the anti-colonial writings of Frantz Fanon and Albert Memmit; the poststructuralist turn in race theory marked by the ...
