Challenges offer growth. They create opportunity to make mistakes and learn from them and discover that we can overcome difficulty when we try hard enough to get what we want. But not all challenges help. Some are too easy or too hard at certain points in your life.

How Do You Approach Challenges in Your Work?

On the other hand, there are multiple ways to handle a challenge. One company might prefer an employee who takes a measured, methodological, and planned approach, whereas another organization might prefer individuals who dive in and do all they can to meet the challenge, without necessarily thinking of the bigger picture.

How to Answer "How Do You Handle a Challenge?"

The Five Practices of Exemplary Leadership® model that serves as the foundation of the internationally-acclaimed The Leadership Challenge® sets out the essential principles and behaviors that ongoing research continues to confirm lead to improved employee engagement, higher performing teams, and increased bottom-line results. Challenge the Process is one of The Five Practices that focuses on helping leaders spur innovation and positive change.
